Our attendance percentage for this week is 90%

Goal: 97%

A BIG "Thank You" to our parents and students for recognizing the importance of regular school attendance.

Attendance has decreased by 7% this week.

ASE's attendance goal for the 2016-17 School Year is 97% in seat attendance. That means 190 or more students must be present in their seats every day to continue to ensure your child is learning as they should and that ASE has the resources to support the learning.

Our attendance this week decreased. There were 54 students absent. Thousands of dollars are lost when students don't attend school. This money can potentially go to events, programs, and extra curricular activities for the students.

We appreciate parents that ensure their students maintain great attendance. We sincerely ask those parents whose children are chronically absent or tardy to work with us to ensure they are not going to Taco Bell, 7-11, or Starbucks before arriving to school late.

PARENT VOLUNTEER OPPORTUNITIES

Parents may donate hours or items. Five dollars worth of items donated = 1hr. of family volunteer time. Family volunteer time and/or donations is separate from student volunteer time.

Family hours may not count toward Student Volunteer Hours. Each student must complete 20hrs per year or 80hrs total of volunteer work as a graduation requirement. This is a State of California Requirement.

If you have any questions please contact the Main Office at (323) 545-1100.

UPCOMING EVENTS

Professional Development Day

Tuesday, February 7th

Early Dismissal at 2:20 p.m.

Parent Meeting (9th – 11th Grade)

Wednesday, February 8th
